

With all the calamities that's happening around us, it might be wise to make a personal documents kit just in case you need to evacuate your home. First and foremost, you need a portable, waterproof and fireproof container to put all emergency personal documents. This list is not in any order so you can customize it in the order of your preference.

-Credit cards, ATM, Cash and bank account numbers

-Family Records (Birth, Marriage, death certificates)

-Passports

-Social Security Cards

-Health insurance cards

-Home, Auto, Life Insurance policies and agent's phone numbers

-DVD with photos of home, assets, personal items and valuable possessions.

-Deeds, Titles, contracts and registrations

-Medical Prescriptions and doctors contact info

-Tax Returns

-Immunization Records

-Wills
